

# Invest in the blue chip Coast – at the French Riviera –

Royal Mougins – Golf & Privilege

The Royal Mougins Golf Club is located in the middle of the exclusive Côte d'Azur's "Jet Set triangle": Cannes, Saint Tropez and Monaco. Nowhere else on earth more celebrities can be met than here, are the guest lists garnished with so many illustrious names and is luxury so individually interpreted.

With our Ownership-System we offer you an exclusive access to this world of modern lifestyles – ideal for the highest personal contact management at places where society meets.

Here your action radius for global B-2-B (Business-to-Business) is unique: International fairs in Cannes like MIPIM, MIDEM, the International Film Festival, Yacht-shows, Tax free fashion shows and other events produce the surroundings for interesting contacts with potential customers.

You can use your Quarter Ownership with highest effect – for example as property of your firm for exclusive events, company presentations and Get Togethers with your clients.

Royal Mougins is ranked as "one of the Finest Golf Clubs of the World" – here your business chances are lying right in front of you – on the well maintained green of the private Royal Mougins Golf Club. Because here you not only improve your handicap, but also establish best contacts with entrepreneurs from all over the world.

The range of services of the Royal Mougins Golf Club is remarkable: Concierge and car services, professional support for personal event planning and organisation belong to the offered activities. A real estate property of great value at the right place! At the Côte d'Azur a new and inspiring lifestyle is expecting you. That's the way luxury can be enjoyed according to individual ideas. The exclusive Royal Mougins Golf Club offers a private refuge of peace with ambience and style.

Private golf club owned by Rattan Chadha, established in 1993  
18-hole-championshipcourse with various degrees of difficulty  
Designed by world-renowned architect Robert von Hagge  
Surrounded by the natural beauty of the Mougins region
